

## Owls (Class 2) Spellings – Autumn Term 2018 (1<sup>st</sup> Half)

All of the spellings for the first half of the Autumn Term are listed below. Each spelling list will be tested in class on the Monday indicated below with the children finding out their results on the same day. You can practice the spellings in whichever way you feel will help you learn them ... it's up to you (no book will be sent home to practice in like in Deer Class and we don't expect to see physical evidence of your practicing, the results of your test should indicate whether you've practiced!). Each word spelt correctly in the test will earn you 1 house point!

On the last week of the half term will be a Spelling Bee – I will select 10 words from across the 5 weeks for the Spelling Bee. For each word spelt correctly, you will earn 1 house point!

Happy Practicing!
