GOVERNORS' VISION

Governors will endeavour to enhance the children's experience of school, by working together with staff and parents to support the School's Vision that places learning at the heart of everything it does.

To achieve this, we will:

- Support, encourage and challenge the headteacher and staff to provide a first class learning experience for all of our children;
- Assist the School in their journey to excellence;
- Promote the development of staff and of an educational environment both of the highest quality so that together they afford our children the best opportunity for a challenging and rewarding education;
- Build supportive, positive links with the local and wider community and the University of Chichester (Multi) Academy Trust;
- Ensure that our involvement with the school is recorded so that our effectiveness may be assessed.
