

Find the spoon

People: 2 or more

How to play:

- One person says 'find three things that are... blue.' etc.
- The other person then has to collect three things that are blue and bring them back to that person.
- Make this harder by timing the person to see how long it takes them.
- Other things that could be collected include 'find three things that are... spotty, start with the letter 'C', round, soft to touch.'

Play with more people by seeing who can collect the three items first.
