

Headteacher

Fernhurst Primary School, Surrey

Start: September 2020

LPR 11 - 17

The Best of Both Worlds

Picture a thriving village, the South Downs National Park as the backdrop, and a strong and active local community. Welcome to the home of Fernhurst Primary School.

Offering a rich curriculum, including a strong programme of music, sport and cultural activities, Fernhurst Primary is set in spacious grounds. With access to several acres of woodland, our Forest School inspires great learning and engages a sense of exploration, imagination and inquisitiveness in our children.

With access to the latest thinking and research, and a wider family network of support, Fernhurst Primary is part of a collective energy for collaboration, innovation, and sharing best practice. Together we can make a tangible difference to the learning and opportunities for both our pupils, staff and to Education. If you want to be part of this journey and have the leadership, drive and commitment, we have produced a more detailed Headteacher Information pack for you.

Our pupils are also keen to welcome you to Fernhurst Primary, and the School and Trust invite you to visit, to learn more about how we could work together to make a lasting difference to the children in this school and to the community it serves. To arrange, please call the Central Trust team on (01243) 793499 or email unicathr@chi.ac.uk

To learn more about Fernhurst Primary visit <https://www.fernhurst.w-sussex.sch.uk/>, and for our Trust visit <http://www.unicat.org.uk/find-job>
