

EYFS Summer Term 2

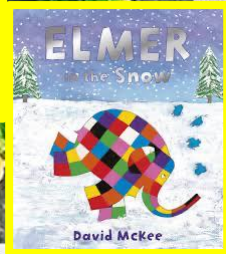

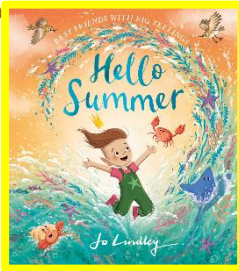

Literacy

We will continue to write lists, captions and simple sentences with a focus on using capital letters and full stops. This is to follow alongside using our sounds to write more independently. **We will also be focusing on writing longer and compound words.**

We will continue to practise tricky words to expand our writing skills, following the 'Little Wandle' phonics scheme.

Please continue to read at home with your child **at least three** times a week and record it on Boom Reader. They are excited to become confident readers!

We are reading...

We will be reading a wide range of texts to include:

- Hello Summer by Jo Lindley
- Ferdie and the Falling Leaves by Julia Rawlinson
- Elmer in the Snow by David McKee
- Percy's Park- A Year in Percy's Park by Nick Butterworth

Mathematics

We will be continuing to build upon our sense of numbers to 20. We will also be exploring, building and re-creating patterns using maps. As we come to the end of our unit, the children will be given time to consolidate their learning from this year.

Expressive Arts and Design

In music, Squirrels will be learning about tuned and untuned musical instruments as well as instruments found in an orchestra.

In our exploration time, the children will be learning how to create art using a range media, including clay, salt dough and items found in their natural environment.

As always, our junk modelling, home corner and tinker table are available for the children to express themselves during their independent play.

Understanding the World

The children will, as always, be given time to share any news and celebrations with us, a time to share 'real life' experiences and opportunities to talk and discuss.

Through our trip to Haslemere Museum, the children will be given an amazing experience to compare their toys to toys from the past.

In Geography, we will be continuing to build upon our knowledge of the world by exploring maps and their uses.

Personal, Social and Emotional

We will continue to focus on our 'Fernhurst Core Values' of Compassion, Resilience, Perseverance, Honesty and Respect.

We will discuss why we have rules and the importance of making the correct choices.

We will also focus on team building activities, working with a partner and with more friends, solving problems and discussing actions together.

Physical development

Squirrels have been working extremely hard on their handwriting. We will continue to 'perfect' our letter formation and general neatness of our writing.

Dough Disco will continue – a fun way to strengthen our finger muscles, as well as plenty of large arm movements and core strengthening exercises too.

PE lessons will be on **Tuesday** and **Thursday**.

In PE, the children will be learning all about team games and moving around safely.

Dates

Monday 2nd June – Star of half term

Wednesday 4th June – Enrichment EYFS Beach School

Wednesday 4th June – Open Forum – 5:30 – 6:30

Friday 13th June – Colour Challenge
