

Dear Parents and Carers,

New activities have been uploaded to the Children’s University portal. Please follow the instructions below on how to access these and how to upload your stamp to your account to register your time. We would love to see what you have been doing with Children’s University so please send any work to our Children’s University email account childrensuniversity@fernhurst.w-sussex.sch.uk

When you go to <https://childrensuniversity.co.uk/> enter your login details. It will take you to your home page which looks like this:

If you scroll down the page, you will find a list of all of the school activities which have been listed – this looks like this:

If you choose to complete one of the activities, you should upload a stamp to your passport online. You do that at the top of the home page (see first image). Click to add a stamp then upload the colour and number of your stamp. It will then load onto your digital passport.
