

# Explore Curriculum: What is it like here?

## Remember-Know - Explore

### Let's Remember

There are hills, parks and a church in Fernhurst.

Not all places look the same.

People live in different types of homes.

Year 1 - Geography

Autumn 2

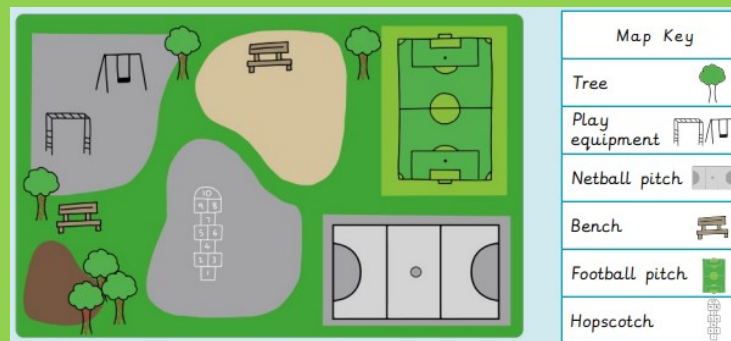

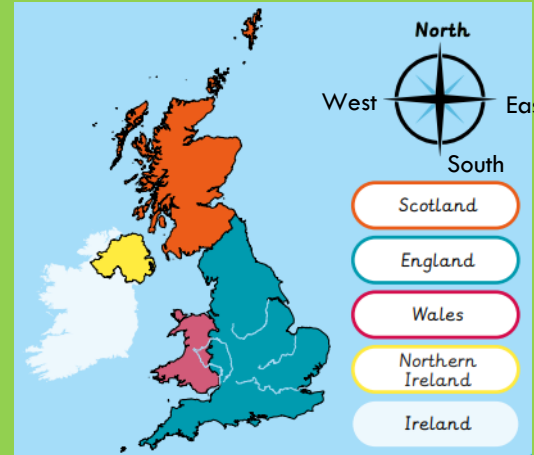

### I Need to Know that...

UK stands for the United Kingdom.

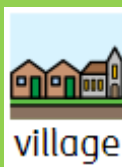

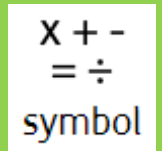

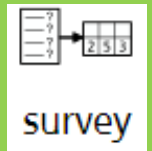

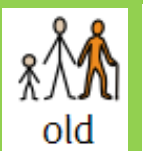

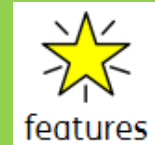

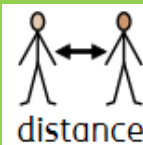

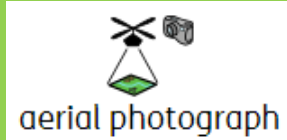

A country is a land or nation with its own government.

Symbols are used on maps.

Atlases give information about the world and that a map tells us information about a place.

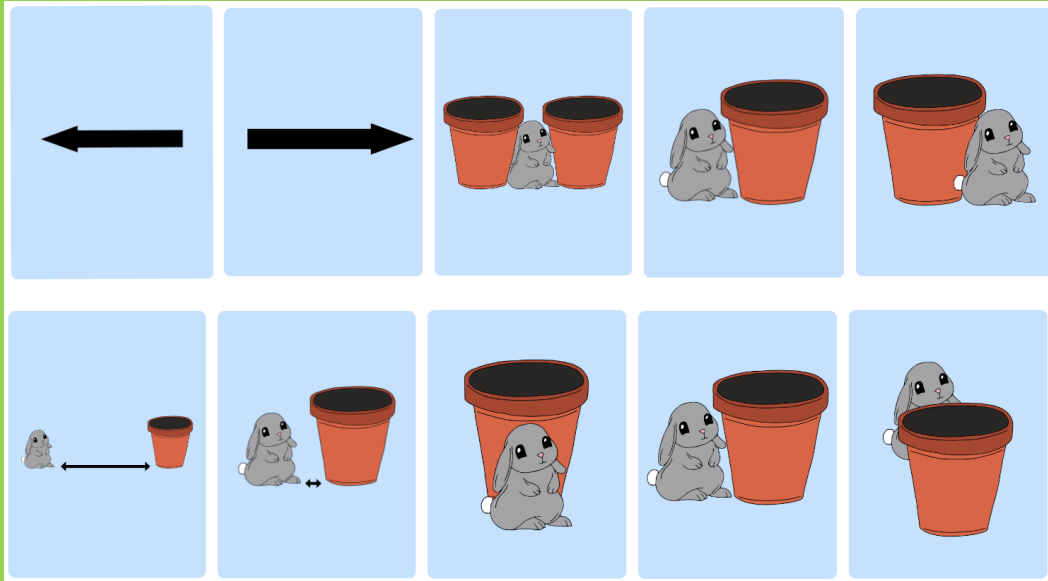

### Glossary

## Let's Explore

Use your new directional language to create your own pictures like this with a favourite object. Label them with the key words.

Create your own map or your home.  
Which things will you choose to include in your key?
