Miss Stocker's Explore Class Forest School Adventures – Spring Term 2022

Dear Parents and Carers,

We are delighted to say that **Miss Stocker's Explore Class will be going to Forest School for the whole Spring term until the Easter break. The sessions will be every Wednesday afternoon, starting on Wednesday 5th January.** Our Forest School takes place in a beautiful local private woodland, just a short walk away from school.

Forest School gives children the opportunity to explore their local woodland environment on a regular basis. Spending time outdoors children come closer to seasonal changes and begin to develop a meaningful connection and empathy with local plant and animal life. The children will direct their own play, choosing what to explore, either on their own or with peers and adults. The freedom to choose increases a child's determination to succeed, building personal resilience, encouraging natural fine and gross motor development, extending communication skills and affording a child a real sense of personal achievement. Children also enjoy the time and space to develop existing and new friendships. At our Forest School children begin to use basic bush craft techniques and tools, and experience fire craft. The children are encouraged to do some responsible risk-taking with adults on hand to play and for guidance.

	Half Term	

We will be going on our Forest School adventures no matter what the weather conditions are, with the exception of very high winds, continuous heavy rain and lightning.

On Forest School days, the children should wear their forest school clothing into school and a change of clothes for them to change into if they are particularly wet or muddy in a labelled bag. It is essential that the children wear sturdy shoes or wellington boots and a waterproof coat and trousers, as well as layers to keep warm and that they can take off as the weather changes.

Yours Sincerely,
Mrs Corps
